

## Mission: Connect

Social skills group for  
preschoolers

### ***Does your child:***

- ***have difficulty sharing, taking turns and playing cooperatively?***
- ***find group situations overwhelming and prefer to play alone?***
- ***struggle to initiate and maintain conversation with other children?***
- ***have trouble following the group plan and remain on their own agenda?***

### **About the program**

Mission: Connect is a small group program for children, aged 2-4, who would benefit from support in their social and communication development. Individual programs are tailored to each child, but all children will be learning in a supportive small group format. Each session is planned by our senior clinical team.
