

INSTRUCTIONS

Instructions for using this template:

- 1) Print pages 2-6
- 2) Cut out the activity options on pages 4-5. Use the blank spaces on page 6 to write down/draw any activities not on the template.
- 3) Paste the activities in the desired order on the template on pages 2-3.

To make it reusable, you can either:

- laminate using an electronic laminator or self lamination sheets
- put into a plastic sheet protector

This also makes the schedule dry erase marker friendly so your child can tick/cross off the activities as they complete them!

GET READY FOR THE DAY!
